Dear Zach,

On behalf of Big Brothers Big Sisters of Barrie and District, I would like to offer our thanks for performing at our Annual Appreciation Dinner held Sunday May 4, 2008 and for providing a charity rate to our agency.

Your show was fantastic! Not only was the magic amazing, your outgoing and entertaining way of interacting with the audience made the show all that much more fun to watch! It was obvious that not only the kids were impressed; the adults were definitely impressed too. We have had many of our members comment since the event on how much they enjoyed your show.

Thanks for being a special part of our day.

Sincerely,

Glenda Barendregt
